

# **UNITY: BRINGING PEOPLE BACK TOGETHER SAFELY**

---

**A safe, spacious and certified space for you to reconnect with colleagues, be creative and plan for the future.**

# WHO ARE UNITY?

---

Celebrating our 40th anniversary in 2020, Unity is open to everybody to be inspired and entertained, and to enjoy outstanding live experiences.

With two theatre spaces, a bar and reception, Unity is the perfect, safe space for you to work in. Whether a rehearsal, meeting or team building day, charity meet-up or creative development, we can support your needs with our unique spaces – a light and bright bar space and our two adaptable theatres. We have brand-new WIFI throughout the building and can supply tables, chairs, projection, technician support and AV equipment as well as a range of catering options in our bar.

Just off Liverpool's bustling Hope Street, Unity is located halfway between the Metropolitan and Anglican Cathedrals just two minutes' walk from the Philharmonic Hall. Parking is available nearby.

# WHAT WE OFFER AND HOW WE ARE BEING SAFE

## **With every single booking we guarantee:**

- Three large spaces with the ability to socially distance teams of up to 30 at one time.
- The building will be exclusively yours for the day. You will have your space for up to 6 hours which can be booked anytime between 9am and 6pm.
- We guarantee a deep clean before your team's arrival.
- Flexibility and discounts for block bookings so that you can offer your staff working from home a schedule for their team meet-ups.
- A fully operational bar for refreshments, prepared and served in accordance with social-distancing measures. Orders can be placed in advance or throughout the day using an app so that queuing and face-to-face ordering is not required.
- A small team of Unity staff will maintain hygiene standards throughout your visit, including public spaces, the accessible lift and restroom facilities. All staff will be wearing PPE throughout your time with us.
- You will be assigned a staff member for the day who will go through safety procedures, fire evacuation and toilet use. They will be contactable on radio as your event proceeds.
- A queuing system will be in place that allows your team to arrive safely and without close contact to their colleagues.
- Support with free AV for the event including presentation use and individual desks for laptop use. The in-house AV is high-quality theatre standard.
- Brand new, super-fast broadband is free and available for you and your delegation to access all day.

Pay What You Can	As a charity ourselves we know how hard the implications of the coronavirus can hit an organisation. Though we hope these packages above can be used to help provide some revenue to our organisation lost due to being unable to run theatre productions, we also know that some local, small businesses and charities may not have the income to make use of these 'team meet up' packages. If you and your team need a safe space to meet, but are unable to find a location you can afford, please email <a href="mailto:info@unitytheatre.co.uk">info@unitytheatre.co.uk</a> with how much you are able to pay and we will try and make it work for you.
